# The Presidents Corner

Greetings my fellow Turners,

As we move into another month I would like to thank all of you that have either renewed your memberships or to our 25+ year members that have contributed towards the annual National and District per capita fees I say "Thank you very much".

We have many events coming up at the club in March including the March Madness games with food and drink specials on all game days including 50 cent wings and \$5.00 pitchers of Domestic draft beer all day long on game days. Put together a group of friends and neighbors and come up and enjoy the club.

Saint Patrick's day is coming up on March 17th with our Corned Beef and Cabbage at \$8.00 all day.

On Saturday, March 19th we have the band Snap Shot here for our Saint Patrick's day party with Corned Beef dinners available. Snapshot is a great band. Please stop by and support your club for a great evening.

Speaking of support did you know that your paying annual dues or the per capita supports programming for over 2000 youth involved in our Gymnastics and Sports programming. By coming to the club for a lunch, a dinner or a drink you also help support that programming. I'm very proud of what the Aurora Turner Club does for the youth involved in our programs. As a member you should be too.

Talk the club up to your neighbors and coworkers. Sign up your friends. The more members we have that help support our club the more we can offer to our members and their families and our youth. In closing. Thank you for your membership,

Randy Roe, Aurora Turner Club President
